Henry Gantz

Arlington, VA | P: +1 703-635-8677 | henry.gantz@icloud.com

PROFESSIONAL SUMMARY

Mathematics graduate at Virginia Tech with a minor in physics, targeting data analyst and data science roles. Experienced in Python, R, SQL, and MATLAB through coursework spanning statistical methods, cryptography, and numerical analysis. Demonstrated analytical thinking and leadership across academic and professional settings.

EDUCATION

Virginia Polytechnic Institute and State University Blacksburg, VA
Bachelor of Science May 2026
Major in Mathematics; Minor in Physics
Cumulative GPA: 2.93/4.0; Dean's List Fall 2023, COS Dean's List Fall 2025, Spring 2026
Relevant Coursework: Math in Computational Context, Cryptography, Numerical Analysis, Quantum Information Technology, Probability and Statistics for Electrical Engineers, Statistical Methods, Technology Ethics

WORK EXPERIENCE

Independent Summer Work Arlington, VA
Private Chef Summer 2025, 2026

- Planned and cooked meals for a family of clients, managing grocery budget, dietary restrictions, and menu variety.
- Balanced multiple variables simultaneously to consistently deliver high-quality meals under clientele-specific constraints.

Dua DC Coffee (Indonesian specialty café) Washington D.C.
Barista/Internship May 2022 – July 2022

- Supported the co-owners and head barista during in-shop shifts and with off-site catering and events.
- Trained across each station behind the counter, including register/customer service, food station, dishwashing, inventory, and the espresso machine.
- Coordinated with the barista team to process orders efficiently, applying time management and cross-functional communication in a fast-paced environment.

UNIVERSITY PROJECTS & LEADERSHIP

VT Engage (National Society of Leadership and Success at VT, Lead for Good) January 2023 – May 2026

- Attended leadership workshops under both programs.
- Served as one of two pilot participants in the 5-week Lead for Good leadership bootcamp, working directly with the program advisor to evaluate instructional content and structure. Provided ongoing feedback on what resonated and what did not, contributing to the refinement of the program ahead of broader rollout.
- Volunteered at book wrapping sessions with the VT Prison Book Project.

VT Spanish Club Blacksburg, VA
Vice President (2024-25), President (2025-26) Sept 2023 – May 2026

- Organized and led meetings with the executive board and in the club president's absence.
- Planned biweekly meetings and correspondent activities for the club.
- Outreach at semi-annual university events and networking with other clubs for joint meetings.

Society of Physics Students (VT Chapter) Blacksburg, VA
Chapter Member Sept 2023 – May 2026

- Engaged with fellow members on academic and extracurricular initiatives related to physics and applied sciences.

ADDITIONAL

Certifications: Data Science Infinity (in progress), Google AI Essentials
Technical Skills: Python, R, SQL, MATLAB, Tableau, AutoCAD, C/C++, Microsoft Excel
Languages: Fluent in English; Conversational Proficiency in Spanish
